100 REASONS WHY HILLARY CLINTON IS THE BEST 2016 PRESIDENTIAL CANDIDATE* The sequel to the #1 bestselling political book in ... Uzbekistan is here. When you hear someone at the office mention that they bought a Benz, do you immediately jump to Hillary's defense for the Benghazi incident? Does every spam email you receive warrant a justification of innocence when you delete it? Does Whitewater just mean a series of rapids in the great state of Colorado? Are you without a doubt ready to take the first step and cast your vote for Monica Lewinsky's ex-boyfriend's wife? This book catalogues the near end reasons why Hillary Clinton's presidency will be a success. If you are "with her" and the scandals that have followed her for a generation, then be prepared to be blown away, but not like Bill. The writing is compelling and the arguments are flaw. *This book is best suited for those with a funny bone; it also doubles as a journal or sketch pad.
