The death, burial, and resurrection of Jesus Christ fundamentally changed humanity and established a new creation way of life. In this new creation, the old rules, nature, and powers-that-be have been overcome, and those who have been adopted into the family of God are bed with friendship, communion, and a vital connection with God the Father, Son, and Holy Spirit. The Enemy has tried to obscure Christ's victory over sin and death with distractions that center around self, whether it's self-gratification or self-righteousness. This book exposes those schemes and reveals the Good News to be infinitely better than we believed.

ALL THINGS NEW will help you: • Remove the veils of legalistic mistruths to behold the face of God. • Recognize and withstand the Enemy's attempts to keep your eyes off Jesus. • Understand the victory Christ has won for you and be transformed into your identity in Him. • Leave the wearying cycle of performance, striving, sin, and despair to be restored to hope and full reliance on the Lord and His power within you to overcome. • Move on to greater things in abundant, new creation life.
