Saving Him, the first book in my Remmington, Inc. Series, is a MM Paranormal Romance full of panty-dropping sexy shifters, badass men and women, and heart-stopping action that will keep you wanting more. When a night out with friends turns into way more than any of them bargained for, Ethan Merrick can do nothing but pray that he will be found before the unthinkable happens. However, after several days, it is beginning to look like he will never see his family or pack again. Although they had never met, the image of Ethan's handsome features and soft blue eyes were imprinted in Rhys Remmington's mind.

He has no idea why, until he learns Ethan has been kidnapped. After finding out who Ethan is to him, Rhys vows nothing will stand in his way of finding the man, and bringing him home. Will Rhys find Ethan in time? Or will he lose the one person he has always wanted, but didn't know he needed?
