This working girl has a secret: she's married! She may be a sex slave ordered into service by a cruel pimp, who just happens to be her Dominant husband and Master. She may be a cheating wife making a little extra money on the side -- and getting some thrills from the bargain. Or she may be a die-hard exhibitionist whose cuckold husband's requests for a little Femdom "exploration" ends with her spread in front of the camera getting fucked by strangers -- while her panty-clad hubby fluffs! Either way, the result is the same: a very happy wife who loves what she does for a living...and a husband who pops a hard-on with every one of his wife's erotic adventures! With 11 stories and more than 40,000 words, Working Wives features plenty of sex-work cuckold erotica to keep your fantasies fueled for the long, steamy nights to come. Working Wives is an explicit erotic anthology intended only for an adult audience that wishes to read frank descriptions of taboo sexual behavior. It features explicit sexual action and includes sex-for-pay, stripping, erotic massage, cuckoldry, cheating, forced feminization, forced male bisexuality, voyeurism, exhibitionism, erotic humiliation, oral sex, and other forms of sexual variation.
