What ties a beauty salon, an office supply store, a dress shop and a pet shop together in a mystery? Ruth has been kidnapped! By who and for what reason is still unknown. Why would someone kidnap one of the grandmothers in the first place. It really doesn't make sense. Things get complicated really fast. Why is someone trying to kill one of the residing patrons at the rest home? Mike and Peter are caught up in a tangled web that seems to have no end in sight and with no answers.

How do you solve crimes without knowing all the answers? The mystery gets deeper and more twisted as Mike and Peter run into a dead body.

The grandmas have fun playing in a beauty salon. They come out with some outrageous hair colors and look quite stunning to say the least! Jimmy, Jason, Simone and Cindy are graduating from high school. Will Mike, Peter, Scott, and Ron make it to the ceremony in time? What about all the animals.

Will they get to attend the ceremony? Join the fun as they solve another mystery! This is not a cliffhanger story! It is a complete, clean, cozy mystery story for all ages. Full of the escapades of Mike and Peter, the FBI agents, along with their friends who like to have fun.
