Hadyn Heat (One): The Urge As a man and as a wolf, Hadyn has been trying to control his urges. After catching the scent of a beautiful woman named Sarah, Hadyn finds her and loses all control of his urges. The pleasure was great, but the mistake was greater, for an evil man has been lurking for a long time, hoping to take control of the world. After kidnapping Sarah, the destructive man named Valon now can finalize his own plan: to have Hadyn mate with his daughter. He uses Sarah and her lust for Hadyn to draw him in.

The urges grow worse for Hadyn and it seems nobody can stop him, not even his roommate and secret lover, another male wolf named Taylor. The fate of Hadyn, Sarah, his pack, and the world are in the balance... but can he control his desperate sexual urges long enough to save it all? \_\_ Don't miss ANY of Betty's HOT HOT HOT erotica, here on Amazon! \*Just the Sex, Please \*His Best Friend's Bed \*Sex Behind the Mask \*Don't Cross the Boss \*Her Brother's Best Friend \*Stuffing Becky Don't miss the two newest, hottest erotic romance series from Betty: \*Hadyn Heat \*In the Arms of the Hunters [www.BettyMidnight.blogspot.com](http://www.BettyMidnight.blogspot.com) \_\_\_ Ava Michaels writes gay and lesbian fiction with passion and a purpose!
