Fake Fiancée Truly Angel There was no way to resist my fake fiancé. He's handsome. He's intelligent. He's adorable. I craved his touch to the point where I want him to claim me as his. He may be my fake fiancé but my feelings for him are real. The question is... his feelings for me are real too? Or will I just get swept up by his sweet words that may not even be real? I blame it all on that first kiss... His Lawyer Purely Angel I know he's playing with me. I'm no different than all the other women he's been with. But he made me feel things I never did before. My heart beats awkwardly when he's around. I try to walk away... I try to avoid him... I try everything to not fall for the notorious womanizer CEO. But at the end of the day, I find myself falling asleep with a smile on my face as I think of him... Captivated by Shy Angel I found it difficult to talk to the opposite sex. And my stuttering and coldness towards them, keep them away from me. That's until I met him. He finds my coldness as a challenge... \*\*\* Alphas & Angels" is a Collection of three (Total 45000-Words) Steamy Stand-Alone Romance Books. No cliffhanger, Plenty of steam and a Guaranteed HEA!
