Watching Leon sleep, Ryder decided he would never settle for being just friends.

They would be lovers because, more than anybody ever before, Ryder wanted Leon. Not just the occasional drunken fling. He wanted all of him; wanted his heart and his body. He wouldn't take no for an answer. He never did. He just hoped that the Second Son wouldn't be foolish enough to put up too much of a fight. Desired is the first M/M erotic romance in the Black Creek Pack series.
