Color, draw, and write on every page of this original imagine-pad. An original fill-me-in journal from the World of Moose, packed with ideas and complex illustrations to spark the creative imagination. Playful drawings and simple prompts invite creators of all ages to not only color but to sketch, imagine, and finish his dense line drawings. Complete your own city, fill it with people, write a comic, and more. The ultimate rainy-day book, sure to keep budding artists busy for hours!
