HONEY. Ringletty blonde hair, creamy skin, artistic, moody, charming . .

. Honey is going to live with her dad in Australia. Determined to make a fresh start, she couldn't be further away from the tough times at Tanglewood. Her new life is a dream come true - until school begins. The girls are different from Honey's friends in England and the only person who seems to understand her is the cute boy from the beach she's chatting to online.

But when he, the girls at school and even her dad start breaking promises, who can she trust? All alone on the other side of the world, Honey's past is about to catch up with her . . .
