The adventures continue in part 2... How far would Thor go in search of his Hammer? Idolized in ancient Norse mythology as the protector god, Thor battles shadow Endermens' and Zombie Pigmens' bent on stealing Mjolnir. It's the quintessential fight for survival that culminates in a final showdown between good and evil. Does this give birth to the Ragnarok prophecy? Here, new discoveries unlock the hidden truth behind the Norse god of Thunder when he enters the realm of Minecraftia.-- Buy a physical book, get the Kindle version free
