Fierce warriors. Savage barbarians. Powerful warlords. All ready to claim their mates. Alien Alphas is a collection of panty-melting sci-fi romances featuring dominant alien heroes, penned by New York Times, USA Today, and international bestselling authors. This decadently naughty box set includes twenty-three ALL-NEW, stand-alone novellas full of hot alien alpha males, breath passion, and reluctant surrender. Take an exhilarating trip beyond the stars with this limited time only bundle that's sure to leave you turning the pages late into the night. Featured authors: Cari Silverwood, Cynthia Sax, Renee Rose, Lee Savino, Addison Cain, Kallista Dane, Maren Smith, Ava Sinclair, Sue Lyndon, Emily Tilton, Ashe Barker, Korey Mae Johnson, Grace Goodwin, Ivy Barrett, Jane Henry, Jaye Peaches, Katie Douglas, Lili Zander, Loki Renard, Maria Monroe, Megan Michaels, Myra Danvers, Sara Fields, and Sophie Kisker. Publisher's Note: The stories featured in this collection involve MF and MFM pairings. They include spankings and sexual scenes. If such material offends you, please don't buy this box set.
