Writing these poems began as a therapeutic process which turned into words that supported me during a very tumultuous period in my life. The poetry that unfolded manifested itself as an inspirational source that further comforted me during this difficult season. Ironically, the poems were able to transcend my own personal experiences and can be applied to anyone's life as an inspirational thought that can be carried through out your day. Then it becomes my hope for you my reader, that the poems found within these pages bring you the same amount of solace, inspiration, and contentment, that it provided me as I created them just for you.
