Kent is having trouble finishing.... No matter what he's tried, attractive straight billionaire Kent just can't seem to get it up around the ladies. That is until he discovers perhaps his tastes run a little more masculine... Male escort Tyler might be just what Kent is looking for: Muscular, sexy, rough around the edges. He propositions him to take a mile high trip with him that may or involves some hot, bareback love...and a little fun three-way with the pilot. You'll need a cold shower after this! You've been warned!
