Former Navy SEAL, Quinn Hamilton, is a special operative for the U.S. government and has been secretly dating CIA counter-intelligence officer, Alandra Pargas, for eight months. She's brilliant, excited by danger, and the sexiest woman he's ever known. Together they are a force to be reckoned with - inside and outside of the bedroom.

But while Alandra is on assignment in Guerrero, Mexico, she's captured by the country's most dangerous drug cartel, and Quinn sets out on a black op of his own to save the woman he can't live without. Secret Rendezvous is the short story prequel to Rendezvous with Danger.
