The vampires, serial killers and shape-shifters in the three novellas in this companion volume to Horror Lite will drain the blood from your heart. Where it goes from there is no one's business but your own. "Val" -- For years, Brad has been obsessed with the memory of his dead lover, Val. His obsession takes over his life when he meets another Val, a hustler who looks exactly like the first. "Slasher" -- A man is found in a cubicle at a gay bathhouse with his throat slit. Then another victim turns up. Only Lou's lover, Jamie, can identify the most likely suspect. "The Matador" -- Soledad de Riquer feels certain that her brother, the celebrated matador El Valiente, has his eye on her young boyfriend, Adulio.
