turkyz is for lif not for krismis! One Christmas, the turkeys took over the farm, no longer willing to be feasted upon. It was surprisingly easy. The humans fled howling. Once settled in to the abandoned buildings, the turkeys began actively to promote the Permanent Fowl Revolution in neighbouring farms. In an exclusive deal signed with a little-known publisher, the chronicles of the Revolution are now available for study. They have been written by their lead historian, Bruthur Nubbly, who has learned how to spell...
