Ah, how we love the forbidden! When it comes to erotica, off limits, naughty, taboo...

the worse the better! Some people just don't understand the incredible attraction of taboo relationships. But I do. And I've invited my friends to help me put together an ultimate box set to make your wildest taboo fantasies come true. In this collection you'll find books by chart-topping authors Angel Wild, Sasha Blake, Carl East, Cheri Verset and me, Kami Kayne. The stories are so blistering hot, featuring a kink so controversial, that I can't even mention the titles here! (Click the cover above to see the table of contents.) WARNING: 18+ \*Kami has been granted permission from the guest authors to include their works in this special box set.\*
